## Basma Initiative - The Patient Support Program (PSP)

The Dubai Health Authority (DHA) announced the launch of Basmah initiative for Dubai Residents only, making Dubai the first government entity in the world to provide a complete spectrum of care from screening to treatment for three types of cancer under the enhanced as well as the basic mandatory benefit plans in Dubai.

The 3 included cancer types are Breast, Colorectal and Cervical cancer. Screening is strictly as per MOHAP guidelines and protocols.

Prior to this scheme, cancer coverage was limited to the annual limit, or the pre-existing limits defined in the policies. Now, that is no longer the case. Patients detected with breast, colorectal or cervical cancer will have the choice to be part of the PSP program, where they will receive coverage from screening until treatment in Dubai's centers of excellence (COE) without a limit.

- 1 PAR = Prior Authorization request (please refer to claim administrative & prior approval procedures)
- 2 Treatment taken inside the network if submitted on reimbursement basis will be settled at the agreed tariff of the medical provider and subject to policy deductibles/coinsurance. Policy must support reimbursement for the claim to be considered.
- The Table of benefits is to be read along with the list of exclusions applicable and Sukoon Glossary.
